§5–211.

(a) A municipality may adopt regulations regarding the erection of buildings and signs in the municipality, including:

- (1) a building code; and
- (2) requirements for building permits.

(b) A municipality may provide for the inspection of and require repairs to the following on private property:

- (1) drainage and sewage systems;
- (2) electric lines and wires;
- (3) gas pipes;
- (4) plumbing apparatus; and
- (5) water pipes.
